An explanation of terms shown in the tables above

Book cost for long positions is the total amount paid to purchase a security including any transaction charges related to the purchase, adjusted for reinvested distributions, return of capital and corporate actions.

Book cost for short positions is the total amount received for the security, net of any transaction charges related to the sale, adjusted for any distribution (other than dividends), returns of capital and corporate actions.

Market value is the price of the security or fund multiplied by the quantity held.

Unrealized Gain or Loss is the gain or loss that would be incurred, if your holdings were liquidated as at the end of the statement period. It is calculated by subtracting book cost from market value.

Limits on Investment Coverage

Clients' accounts at CIBC Dealer Members are protected by the CIPF's Investment Dealer Fund in accordance with its Coverage Policy. A brochure describing the scope and nature of coverage, as well as the limitations and exclusions of coverage, is available upon request or at www.cipf.ca. To learn more about CDIC deposit insurance coverage, visit www.cdic.ca.

Your account at a glance – Additional information

Beginning balance - The opening balance of the account as of the start of the first day of the statement period. It is the same as the previous statement ending balance. It does not include accrued income for certain fixed income and equity securities.

Change in your account balance - Includes deposits, withdrawals, income received, fees charged, and the change in the value of your investments for the period referenced.

Ending balance - This is the total market value of the account including cash and security holdings. It does not include accrued income for certain fixed income and equity securities.

Ending Balance at reporting period end - The amount shown in the "Activity in your account this period" section excludes amounts arising from any trades pending settlement which are not due for payment until the dates printed against such trades.

Holdings and Activity – Additional information

"N/D" means that all or a portion of the book cost or market value, as applicable, of the security position cannot be determined or has not been assigned. The total book cost or total market value, or rate of return, as applicable, provided for your portfolio excludes security positions whose book cost or market value is "N/D".

(a) Market value information has been used to estimate part or all of the book cost of this security position.

(b) There is no active market for this security. The price has been estimated.

(c) The market value of these compound interest investments includes the par value and the accrued interest to date. In the event you choose to redeem your securities prior to maturity, the redemption value may differ from the market value reported.

(d) Market value information as at December 31, 2018 has been used to estimate part or all of the book cost of this security position.

Prices for mutual funds do not necessarily reflect the month end close Net Asset Value Per Share (NAVPS). The NAVPS expressed for mutual funds represents the last value received by TD Direct Investing prior to the production of our statements.

Securities listed under the heading "Pending activity in your account" denote trades which are for settlement subsequent to the date of the statement. The settlement dates of such trades are printed in the date column.

The activity description column may contain abbreviations related to mutual funds, restricted voting shares, segregated investments and investments in safekeeping. Common abbreviations related to mutual funds are NL - No Load, D - Deferred Sales Charge, LL - Low Load and FRAC - Fractional Shares. Abbreviations related to restricted voting privileges are NVS - Non - Voting Shares, RS - Restricted Shares, SVS - Subordinate Voting Shares and RVS - Restricted Voting Shares. SEG is an abbreviation to indicate that the investments are segregated. SFK is an abbreviation to indicate that the investments are in safekeeping. If you have any questions about your statement, please speak with your Investment Representative.

All securities paid in full, and margin securities above the legal minimum cannot be used by us in the conduct of our business and are displayed on the statement as segregated (SEG). If you have a credit balance in your TD Direct Investing accounts, it is payable on demand. We'll record it on our books but we may use it in the conduct of our business.

In any currency conversion conducted by us, we or a related party may earn revenue.

The elected annual payout is calculated based on the Dec 31st market value of the previous year and is effective Jan 1st of the current year. This amount reflects the original annual minimum payment for the current + any additional payment elected by you.
